

# VI International Scientific and Professional Conference (Remote participation) «SCIENCE OF THE FUTURE: INTEGRATING KNOWLEDGE IN THE DIGITAL ERA»

Held on: October, 5–7, 2026

Location: Birmingham (Alabama, USA)

| Certificate ID     | Conference Participant | Section                                                                                  | Title of the report                                                                                                 |
|--------------------|------------------------|------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| US-10-2026-00282-C | Anatoly Mulyar         | 21. Historical Sciences: From Antiquity to Modern Challenges.                            | THE STATISTICAL INVISIBILITY OF WOMEN'S LABOR IN THE AGRARIAN-INDUSTRIAL ECONOMY OF PODOLIA GOVERNORATE (1861–1897) |
| US-10-2026-00283-C | Yevgen Oprya           | 18. Psychology and Pedagogy: Resilience Building and Mental Health                       | THE IMPACT OF EMOTIONAL EXPERIENCES ON EVERYDAY LIFE AND WORK ABILITY OF YOUTH IN UKRAINE                           |
| US-10-2026-00284-C | Dmytro Pylypenko       |                                                                                          |                                                                                                                     |
| US-10-2026-00285-C | Lina Orlovska          |                                                                                          |                                                                                                                     |
| US-10-2026-00286-C | Olha Donets            |                                                                                          |                                                                                                                     |
| US-10-2026-00287-C | Olena Martynenko       | 14. Economics, Management, Marketing & Strategic Development                             | -                                                                                                                   |
| US-10-2026-00288-C | Valentyna Moyseyenko   | 8. Modern Medicine: Clinical Research & Preventive Strategies                            | COMORBIDITY: COMPLICATIONS OF HYPOTHYROIDISM                                                                        |
| US-10-2026-00289-C | Andrii Nykula          |                                                                                          |                                                                                                                     |
| US-10-2026-00290-C | Larisa Nalyvaiko       | 16. Legal Paradigm in the Face of Global Change: Rights Protection, Cyber Law & Security | DIRECTIONS FOR IMPROVING LEGISLATION ON PROTECTION OF HUMAN AND CITIZEN RIGHTS BY LOCAL GOVERNMENT BODIES           |
| US-10-2026-00291-C | Tsahik Ohanisian       | 16. Legal Paradigm in the Face of Global Change: Rights Protection, Cyber Law & Security | FORMATION AND IMPLEMENTATION OF THE LEGAL STATUS OF CHILDREN AFFECTED BY WAR                                        |
| US-10-2026-00292-C | Mykola Stadnichuk      |                                                                                          |                                                                                                                     |

|                    |                      |                                                                                                                                                              |                                                                                                                                            |
